

**OET: The Occupational English Test**  
For Nurses, Doctors and all Healthcare workers.  
**Preparation Course at Accent International**

**The Exam**

OET is an Australian-developed English Language Test which assesses language communication skills of healthcare professionals. It provides assessment of all four language skills—listening, reading and speaking—through test materials designed to reflect real healthcare scenarios. OET has been developed specifically for 12 healthcare professions: Dentistry, Dietetics, Medicine, Nursing, Occupational Therapy, Optometry, Pharmacy, Physiotherapy, Podiatry, Radiography, Speech Pathology and Veterinary Science.

**The Exam Preparation Course**

In the week before every exam date, Accent International provides a one-week OET preparation course which focuses on the skills, language and examination preparation needed for a successful outcome at OET.

**Accent International**

Accent International is an award-winning centre for Specialist and Professional Language Training and Consultancy. Founded in 1988, it is accredited by the British Council, a member of English UK and Business English UK and also the elite group IALC (the International Association of Language Centres). It works with global names in many countries around the world, with governments and ministries and, in the health field, with hospitals, universities, pharma and biomedical companies.
